Reference letter

Closed Joint Stock Company “Merinos carpets and carpet products” (Russia, Rostov-on-Don) is an affiliate company of the well-known in Europe and in the Middle East carpet products producer - Erdemoğlu Halı San. ve Tic. AŞ (Turkey).

For the implementation of our company’s investment project aimed at building a carpet factory in the Russian Federation we needed a competent and knowledgeable consultant with a high professional level. We chose MauerGroup company as a consultant and business partner.

MauerGroup company supported us and provided consulting services during the carpet factory project implementation at the start-up stage. MauerGroup also consulted us on gaining tax remissions for CJSC „Merinos”. MauerGroup consultants prepared the suit of documents for applying for regional tax preferences and investment project business plan, provided consulting services while gaining the tax preferences.

During our business cooperation MauerGroup company proved to be a reliable, responsible and competent partner, who is adherent to the main principles of the business relationship and keeping to the mutual agreements. The staff of the company proved to be high-class experts always ready to support us in the matters of interest and to properly accomplish the tasks at a short notice.
